

OUR COVID PREVENTION PLAN IN DETAIL

AT RECEPTION/CHECK-IN

- Upon arrival, **only one person per family** at the reception alone and bring your own pen,
- Use the hygiene measures placed at your disposal at the entrance (gel, soap...),
- Remember to bring **your license plate number**. The entrance gates are equipped with a plate reader, so we will need to record this information.
- For rentals and pitches with individual toilets, a **deposit of 200 euros** will be requested (by bank card)

IN YOUR MOBILE HOME

- Disinfection for frequent contact points (e.g. door and window handles, remote controls, taps, bathroom fittings, etc...),
- Extended ventilation between each stay and reinforced cleaning
- The rented linen kits must be returned in plastic bags provided for this purpose
- For your departure, you will be asked to stay outside the rental while visiting the inventory
- All persons working in your mobile home will wear a mask, appropriate equipment, and use hydroalcoholic gel before entering

IN COLLECTIVE TOILETS

- Full cleaning is carried out at least twice a day by cleaning workers who will wear a mask,
- The frequent contact points will be disinfected regularly
- When you enter, use the hydroalcoholic gel available to you,
- Avoid touching walls and panels,
- Wherever possible, use them during the less busy times,
- When exiting, leave the doors open to encourage ventilation.

IN THE POOLS
